

# SUPERBURGER™

SUPERBURGER has more than 60 years of history serving made to order hamburgers from our original location on 4th street in Santa Rosa. A Superburger is a rustic grind of choice chuck steaks grilled to order. Our standard patty is 7 ounces and is cooked medium well to a warm rosy center unless you have a special request. Superburgers come with the fixings on the side: crispy iceberg lettuce, lively red onion, good ol' tomato and fresh brined pickles. If you prefer grass fed beef just ask we have you covered. If you are craving the ultimate meatless burger experience you are in luck, we have that too.

PICK A PATTY ALREADY...

YEAH!...
